

COMPUTER SOCIETY OF INDIA

The Computer Society of India (CSI) Student Chapter at AU] is a premier technical community dedicated to advancing IT knowledge and fostering innovation among students. We connect students with industry experts through workshops, hackathons, and seminars, bridging the gap between academic theory and industry demands.

Key Focus Areas:

- Skill Development: Hands-on workshops, seminars, and technical competitions.
- Networking: Opportunities to interact with industry leaders, academicians, and researchers.
- Knowledge Sharing: Access to CSI publications, including CSI Communications and technical journals.
- Industry Integration: Preparing students for cutting-edge technologies like AI, Cloud Computing, and Cyber Security.
